

## ***Our Office***

The Provincial Auditor is an Independent Officer of the Legislative Assembly in Saskatchewan. The Office audits public money managed by the provincial government in order to ensure accountability and transparency with respect to its performance, systems, and practices.

Under *The Provincial Auditor Act*, we report our findings to the Legislative Assembly. One of our key roles is providing assurance and advice to the Legislative Assembly and government on government's financial and operational information, its compliance with legislative authorities, and its management of public resources.

Share our Vision:  
**Inspire** and  
**advance excellence**  
in public sector  
performance,  
accountability, and  
sustainability.

Not all of our auditees are located in Regina - many are located throughout various cities and towns within Saskatchewan.

Our auditees span a wide range of industries, use a variety of accounting systems, and can take anywhere from 40 - 50 hours to more than 2,000 hours to audit.

## ***Did You Know?***

Our employees are our most valuable resource because "what we do" depends on their knowledge and skills. Creating and maintaining an environment that encourages ongoing learning is crucial to our success.

Our Office works with agencies in many diverse sectors including health and safety, finance, education, environment, and infrastructure.

## ***Our Work***

We audit all public money managed by the Government of Saskatchewan. This includes Crown corporations, regional health authorities, universities, school boards, government ministries, boards, agencies, and commissions.

In addition to our financial audits, we also take a more in-depth look at issues related to management of public resources or compliance with legislative authorities. This part of our work is often what you see reported publicly.
