

Performance Auditor

Reference #2019PA-01

The Office of the Provincial Auditor of Saskatchewan is seeking a highly-motivated individual to join our team in providing assurance and advice to the Legislative Assembly on the management, governance, and effective use of public resources.

Based in Regina, we offer a professional, challenging, friendly, and flexible work environment that supports the balance between work, personal life, and community involvement while promoting continuous learning and career development.

The Position

Performance Auditors are responsible for conducting performance audits in a team environment. This includes using established audit methodologies to develop audit plans, collect and analyze data, write audit reports, and present audit results. Audits are conducted in a wide range of industries and government sectors such as education, health, insurance, finance, environment, and infrastructure.

Candidates should have:

- › Strong qualitative analysis and research skills – quantitative analysis skills an asset
- › Knowledge of government and the public service, preferably in Saskatchewan
- › Several years of relevant work experience, preferably in management, policy, program evaluation, or audit
- › Strong written and verbal communications skills
- › Robust interpersonal and coaching skills, as well as experience in building positive relationships and working with diverse stakeholders
- › Demonstrated commitment to professional excellence, leading-edge practice, professional development, and career growth
- › Commitment to making a difference in the quality, and accountability, of the public service
- › Master's degree from a recognized university is an asset

We offer a competitive salary, attractive benefits, professional development, and opportunities for advancement.

The successful candidates shall be subject to a Criminal Record Check as a condition of employment.

Please email your application including reference number **#2019PA-01**, cover letter, detailed resume, references, and salary expectations by **May 24, 2019**, in confidence to:
