

Audit Managers/Senior Managers

Reference #2022AUDM-01

The Provincial Auditor of Saskatchewan is seeking highly-motivated individuals to join our team in providing assurance and advice to the Legislative Assembly on the management, governance, and effective use of public resources. We are the external, independent auditors of the Government of Saskatchewan.

We audit more than 230 agencies of the provincial Government, including ministries, Crown corporations, post-secondary institutions, the health authority, funds, and benefit plans.

Based in Regina, we offer a professional, challenging, friendly, and flexible work environment supporting balance between work, personal life, and community involvement, while promoting continuous learning and career development.

The Position

Audit Managers are responsible for conducting external audits in a team environment. This includes using established audit methodologies to develop audit plans, collect and analyze data, oversee audit procedure completion, write audit reports, and present audit results. Audits are conducted in a wide range of industries and government sectors such as education, health, insurance, finance, environment, and infrastructure.

If you have your **Chartered Professional Accountancy** designation with three or more years of external audit experience consider exploring this opportunity.

Candidates must have:

- › CPA designation
- › In depth knowledge of Canadian accounting and assurance standards
- › Strong qualitative and quantitative analysis and research skills
- › Strong written and verbal communications skills
- › Strong interpersonal and coaching skills as well as experience in building positive relationships and working with diverse stakeholders
- › An interest in gaining specialized knowledge and experience in significant industries
- › Commitment to professional excellence, leading edge practice, professional development, and career growth
- › Commitment to making a difference in the quality and accountability of the public service
- › IT audit experience is an asset

We offer a competitive salary, attractive benefits and flex time, professional development, and ample advancement opportunities.
