

Auditor

The Provincial Auditor of Saskatchewan is seeking motivated individuals to join our team. We are the external auditors of Government. By sharing the results of our audits, we give legislators and the public information about how well government is managing Saskatchewan's public resources and taxpayers' dollars.

Based in Regina, we work in a team environment that is professional, supportive, and flexible. Our Office supports continuous learning and career development.

The Positions

You will gain practical work experience as a legislative auditor to supplement your CPA designation. We audit the Government of Saskatchewan that is comprised of over 230 different agencies including ministries, Crown corporations, universities, school boards, funds, and benefit plans. Staff have the opportunity to plan and complete small audits within the first year of employment. Our students are also assigned to complex sections of larger audits. You will receive a competitive salary, attractive benefits, professional development, and an opportunity to advance your career as you progress through your studies and after you obtain your CPA.

Candidates Should:

- › Have a Bachelor of Business Administration or a Bachelor of Commerce degree or currently be in 4th year working towards a BBA or a BComm
- › Be planning to pursue a CPA designation
- › Have strong communication skills, motivation, and the ability to work independently as well as in a team environment

The successful candidates shall be subject to a Criminal Record Check as a condition of employment.
