Purpose

The purpose of this Report is to inform the Legislative Assembly of our Office's views on the financial statements of Crown agencies audited by appointed auditors, for years ending in the 2005 calendar year. This Report does not include our views on the financial statements of Crown Investments Corporation of Saskatchewan (CIC), its subsidiaries, and other related entities. We provide our views on those entities in a separate report.

Background

The Assembly allows the Government to appoint auditors to examine and report on certain Crown agencies. The Provincial Auditor, however, retains overall responsibility for the audits of all Crown agencies.

In June 1994, the *Report of the Task Force on Roles, Responsibilities and Duties of Auditors*¹ recommended how the audit system for CIC and its subsidiary Crown corporations could function more efficiently and effectively. In April 1995, Treasury Board decided that all Crown corporations and agencies should comply with the Task Force's recommendations. Our Office, Crown agencies, and appointed auditors use the Task Force's recommendations to better serve the needs of the Assembly. The Task Force recommended that we give the Assembly a report listing the agencies in whose audits we participated.

The objectives of each audit are to form the following opinions and to report the results to the Assembly.

- ◆ An opinion on the rules and procedures used by the agency to safeguard public resources.
- ◆ An opinion on the agency's compliance with the authorities governing its activities related to financial reporting, safeguarding public resources, revenue raising, spending, borrowing, and investing activities.
- ◆ An opinion on the reliability of the agency's financial statements.

**Report on the Financial Statements of Crown Agencies
for Years Ending in the 2005 Calendar Year**

In our 2005 Report – Volume 3, we reported the results of the audits that were completed by October 31, 2005. We will report the results of the remaining audits in 2006. The appointed auditors' reports on the reliability of each Crown agency's financial statements are attached to the respective financial statements.

The Government's summary financial statements include the financial results of all Crown agencies controlled by the Government. *Public Accounts 2004-05 – Volume 1* includes my auditor's report on the Government's financial statements for the year ended March 31, 2005.

Results

We participated in all audits of Crown agencies, except as noted below.

- ◆ We did not participate in the audits of Chicken Farmers of Saskatchewan, Saskatchewan Alfalfa Seed Producers Development Commission, Saskatchewan Broiler Hatching Egg Producers' Marketing Board, Saskatchewan Egg Producers, Saskatchewan Flax Development Commission, Saskatchewan Pulse Crop Development Board, Saskatchewan Sheep Development Board, and Saskatchewan Turkey Producers' Marketing Board. In 1998, the Department of Agriculture and Food and our Office agreed that the most efficient way for our Office to examine these smaller agricultural marketing and development agencies would be to work through the Agri-food Council. As part of our annual audit of the Department, we examine the supervisory work carried out by the Agri-food Council over these agencies.
- ◆ We did not participate in the audit of Saskatchewan Trade and Export Partnership Inc. (STEP). In 1999, The Department of Industry and Resources and our Office agreed that, as part of our annual audit of the Department, we would examine the supervisory work carried out by the Department over STEP.
- ◆ Previously, we reported that we would rotate our audits of the eight regional colleges, i.e., we would not audit every regional

college each year. Since 1999, we participate in the audits of three regional colleges each year.

- ◆ SaskPen Properties Ltd. has not allowed our Office to participate in the audit of this agency since 1994.

In our opinion, for all audits we participated in and completed our work by the date of this Report, the financial statements are reliable, except for:

- ◆ Community Initiatives Fund and Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation. These Funds' 2005 financial statements are not reliable because they did not record grant expenses in the correct period. For further information on this issue, see Chapter 14 of our 2004 Report – Volume 3.
- ◆ Saskatchewan Agricultural Stabilization Fund. This Fund's 2005 financial statements are not reliable because the Fund did not properly record transfers from the General Revenue Fund. For further information on this issue, see Chapter 13 of our 2004 Report – Volume 3.
- ◆ Five Hills Regional Health Authority, Sun Country Regional Health Authority, and Sunrise Regional Health Authority (RHAs). The 2005 financial statements of these three RHAs are not reliable because they did not record the correct amount of revenue from the General Revenue Fund. For further information on this issue, see Chapter 2C of our 2005 Report – Volume 3.

The following table includes all Crown agencies whose accounts are audited by appointed auditors. It lists the appointed auditor's name, the agency's year-end date, whether we participated in the audit, and whether the agency's financial statements are reliable.
