## Purpose

The purpose of this Report is to inform the Legislative Assembly of our Office's views on the financial statements of Crown agencies audited by appointed auditors, for years ending in the 2006 calendar year. This Report does not include our views on the financial statements of Crown Investments Corporation of Saskatchewan (CIC), its subsidiaries, and other related entities. We provide our views on those entities in a separate report.

## Background

The Assembly allows the Government to appoint auditors to examine and report on certain Crown agencies. The Provincial Auditor, however, retains overall responsibility for the audits of all Crown agencies.

In June 1994, the *Report of the Task Force on Roles, Responsibilities and Duties of Auditors*<sup>1</sup> recommended how the audit system for CIC and its subsidiary Crown corporations could function more efficiently and effectively. In April 1995, Treasury Board decided that all Crown corporations and agencies should comply with the Task Force's recommendations. Our Office, Crown agencies, and appointed auditors use the Task Force's recommendations to better serve the needs of the Assembly. The Task Force recommended that we give the Assembly a report listing the agencies in whose audits we participated.

The objectives of each audit are to form the following opinions and to report the results to the Assembly.

- ◆ An opinion on the rules and procedures used by the agency to safeguard public resources.
- ◆ An opinion on the agency's compliance with the authorities governing its activities related to financial reporting, safeguarding public resources, revenue raising, spending, borrowing, and investing activities.
- ◆ An opinion on the reliability of the agency's financial statements.

**Report on the Financial Statements of Crown Agencies  
for Years Ending in the 2006 Calendar Year**

In our 2006 Report – Volume 3, we reported the results of the audits that were completed by October 31, 2006. We will report the results of the remaining audits in 2007. The appointed auditors' reports on the reliability of each Crown agency's financial statements are attached to the respective financial statements.

The Government's summary financial statements include the financial results of all Crown agencies controlled by the Government. *Public Accounts 2005-06 – Volume 1* includes my auditor's report on the Government's financial statements for the year ended March 31, 2006.

## **Results**

We participated in all audits of Crown agencies, except as noted below.

- ◆ We rotate our audits of the eight regional colleges, i.e., we do not audit every regional college each year. We participate in the audits of three regional colleges each year.
- ◆ We did not participate in the audit of Saskatchewan Trade and Export Partnership Inc. (STEP). The Department of Industry and Resources and our Office agreed that, as part of our annual audit of the Department, we would examine the supervisory work carried out by the Department over STEP.
- ◆ SaskPen Properties Ltd. has not allowed our Office to participate in the audit of this agency since 1994.

In our opinion, for all audits we participated in and completed our work by the date of this Report, the financial statements are reliable, except that we disagree with how the following agencies have accounted for transfers (grant revenues or grant expenses):

- ◆ Community Initiatives Fund. For further information, see Chapter 14 of our 2004 Report – Volume 3.
- ◆ Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation. For further information, see Chapter 14 of our 2004 Report – Volume 3.

**Report on the Financial Statements of Crown Agencies  
for Years Ending in the 2006 Calendar Year**

- ◆ Saskatchewan Agricultural Stabilization Fund. For further information, see Chapter 11 of our 2006 Report – Volume 3.
  
- ◆ Keewatin Yatthé Regional Health Authority. For further information, see Chapter 2C of our 2006 Report – Volume 3.

The following table includes all Crown agencies whose accounts are audited by appointed auditors. It lists the appointed auditor's name, the agency's year-end date, whether we participated in the audit, and whether the agency's financial statements are reliable.
