Appendix

## List and status of agencies subject to examination under The Provincial Auditor Act

Appendix 2 lists the departments, Crown agencies, Crown-controlled corporations, special purpose and trust funds, offices of the Legislative Assembly, and other agencies subject to audit examination under *The Provincial Auditor Act* at December 31, 2005.

This Appendix includes the status of those audits at March 31, 2006. The Appendix also indicates whether we have significant issues to report and where the issues are reported.

Our goal is to report the results of our audits of agencies with March fiscal year-ends in the fall and agencies with December fiscal year-ends in the spring. We have not completed the audits at some agencies. In most cases, the audits have been delayed. However, in a few cases, we have not been given access to the necessary information to complete the audits. To ensure that we provide the Legislative Assembly and the public with timely reports, we do not delay our reports to accommodate delayed audits, but rather include their results in future reports.

Note 1: We audit these agencies in a different way.

In 1998, the Department of Agriculture and Food and our Office agreed that the most efficient way for our Office to examine these smaller agricultural marketing and development agencies would be to work through the Agri-Food Council. As part of our audit of the Department, we examine the supervisory work carried out by the Council regarding the financial statements of these agencies and the rules and procedures to safeguard public resources and to comply with legislative authorities.

- Note 2: These entities are wholly- or partially-owned subsidiary corporations that are included in the consolidated financial statements of a parent Crown agency. For the year ending December 31, 2005, these subsidiary corporations did not carry out active operations.
- Note 3: For 2005, the Department continued to make payments to NewGrade Energy Inc. that were without authority. Our 2001 Fall Report Volume 2, Chapter 16, contains further information on this matter.
- Note 4: We continue to disagree with how the agency accounts for grants. Our 2004 Report Volume 3 contains further information on this matter.
- Note 5: These agencies were recently created or became Crown agencies. March 31, 2006, June 30, 2006, and December 31, 2006 are the first year-ends for these agencies. The status of the audits of these agencies will be provided in future reports.

2-11

<sup>1. &</sup>quot;Complete" – the audit was complete at March 31, 2006.

<sup>&</sup>quot;Delayed" – the audit was delayed.

<sup>&</sup>quot;Rotational" – for a few sectors (i.e., regional colleges), we carry out the audits of the most significant entities and use a rotational approach for the remainder. We list entities in rotation whose audits were complete at March 31, 2006 as "Complete". We list the other entities as "Rotational".

<sup>&</sup>quot;Denied Access" – in a few cases, we have not been given access to the necessary information to complete the audits.
