Appendix

## List and status of agencies subject to examination under The Provincial Auditor Act

Appendix 2 lists the ministries, Crown agencies, Crown-controlled corporations, special purpose and trust funds, offices of the Legislative Assembly, and other agencies that were subject to audit examination under *The Provincial Auditor Act* at December 31, 2008.

This Appendix includes the status of those audits at April 30, 2009. The Appendix also indicates whether we have significant issues to report and where the issues are reported.

Our goal is to report the results of our audits of agencies with March fiscal year-ends in the fall and agencies with December fiscal year-ends in the spring. We have not completed the audits at some agencies. In most cases, the audits have been delayed. However, in a few cases, we have not been given access to the necessary information to complete the audits. To provide the Legislative Assembly and the public with timely reports, we do not delay our reports to accommodate delayed audits, but rather include their results in future reports.
