Appendix 1 Agencies Subject to Examination under *The Provincial Auditor Act* and Status of Audits

Our goal is to provide the Legislative Assembly with timely reports on the results of our examinations. We do not delay our reports to accommodate incomplete audits, but rather include their results in a future report. We aim to report the results of our annual integrated audits of agencies with December fiscal year-ends in the spring (i.e., Report – Volume 1) and agencies with March fiscal year-ends in the fall (i.e., Report – Volume 2). Also, we report the results of our follow-ups and performance audits in the report following their completion.

The table below lists the agencies subject to examination under *The Provincial Auditor Act* at July 31, 2015 along with their fiscal year-end. Agencies subject to our examination include ministries, Crown agencies, Crown-controlled corporations, special purpose and trust funds, other agencies that administer public money, and offices of the Legislative Assembly.

For each of these agencies, the table sets out the status of our integrated audits at October 30, 2015. It also indicates whether we are or have reported matters for the Assembly's attention within the last twelve months, and if so, it identifies the relevant Report.
