

Chapter 27

Standing Committee on Public Accounts

1.0 MAIN POINTS

The work of the Standing Committee on Public Accounts is crucial for a well-managed parliamentary system of government. It provides a vital link in the accountability chain of public resources and contributes to supporting the public's confidence in the Government.

The Committee's discussions and recommendations to the Legislative Assembly promote a more open and accountable government, as well as better management of government operations. By reviewing chapters in our Reports, questioning government officials, requesting information, and making recommendations in its reports to the Assembly, the Committee acts as an agent of change for the management practices of government.

The implementation of the Committee's recommendations by the Government and its agencies declined on an overall basis. As of September 2022, the Government fully implemented 60% (September 2021: 74%) of Committee recommendations made during the previous five years, and it partially implemented 49% (September 2021: 64%) of the remaining recommendations.

Between October 1, 2021 and September 30, 2022, the Committee met more frequently and reviewed 139 chapters to be more current in its review of our chapters in our Reports. At September 30, 2022, the Committee had not yet reviewed 71 chapters (2021: 148; 2020: 114 chapters; 2019: 69 chapters).

Timely review of our Reports' chapters demonstrates the Committee undertakes appropriate scrutiny and holds agencies accountable.

2.0 INTRODUCTION

This chapter provides an overview and brief description of the Committee's composition, role, and responsibilities, as well as how it reports to the Legislative Assembly. It highlights the Committee's activities since our last chapter to the Assembly about the Committee in our *2021 Report – Volume 2*, Chapter 40.

It also sets out the extent to which the Government implemented the Committee's recommendations, and the status of the Committee's review of our Reports.

3.0 ROLE AND RESPONSIBILITIES' OVERVIEW

3.1 Committee Composition

At the beginning of each Legislature, the Legislative Assembly appoints members to the Committee comprised of a member of the Official Opposition as Committee Chair and a Government member as Deputy Chair.

On December 8, 2020, the Legislative Assembly adopted a provisional order to expand the membership of the Committee from seven members to eight, including two members of the Official Opposition for the duration of the 29th Legislature. **Figure 1** sets out the Committee’s members as of September 30, 2022.

3.2 Responsibilities Include Reviewing Public Accounts and Our Reports

Because of the Committee’s role to scrutinize the Government’s management of public resources and review our Reports, we view it as the audit committee for the Assembly and thus, for the public.

The Committee acts as a non-partisan oversight body that helps the Assembly hold the Government accountable for its management of public resources. *The Rules and Procedures of the Legislative Assembly of Saskatchewan* require the Committee to review and report to the Assembly on the results of its review of both Public Accounts and Provincial Auditor’s Reports.

The Assembly refers the Public Accounts and the Reports of our Office to the Committee.¹ The following provides a brief description of each:

- The Public Accounts consist of two volumes. The first volume contains the Summary Financial Statements of the Government and a Financial Statement Discussion and Analysis section. The second volume contains details on revenues and expenditures of the General Revenue Fund. This volume includes comparisons of appropriations to expenditures by vote and by program, and details of expenses (e.g., payees who received \$50,000 or more for salaries and benefits, transfers, or goods and services). It also includes other information, including key financial information of some pension plans and trust funds administered by the Government, on remission of taxes and fees, and on road-use fuel tax accountability.²
- The Reports of the Provincial Auditor contain the results of our examinations of the Government and its various agencies. Chapters within our Reports identify whether the Committee agreed with our recommendations, or made its own recommendations.

The Committee asked us to monitor compliance with its recommendations and report on their status. Chapters within our Reports provide an update on the status of recommendation implementation.

¹ By law, chapters related to Crown Investments Corporation of Saskatchewan and its related agencies (e.g., Saskatchewan Power Corporation, Saskatchewan Telecommunications Holding Corporation) within our Reports are referred to the Standing Committee on Crown and Central Agencies.

Government officials attend Committee meetings to answer questions about their agencies' administration. In advance of the meetings, agencies provide the Committee with status updates that set out actions taken or planned to address recommendations.³ Our Office attends the meetings to help the Committee in its reviews. The Committee discusses and recommends actions on issues raised by Committee members and our Office.

The Committee's meetings are televised and open to the public. In its deliberations, the Committee is not fundamentally concerned with matters of policy; rather, it questions the economy and effectiveness of the administration of government programs. The Committee reviews the activities, performance, and reports of government ministries, agencies, and certain Crown corporations (agencies). During its review, the Committee may inquire about past performance, current concerns, and future objectives. The Committee's discussions include broader issues such as strategic plans, key risks to achieving goals and objectives, and performance measurements.

3.3 Reports of the Committee

The Committee's reports include its findings and recommendations resulting from the Committee's review of our Reports.

Typically, the Committee reports to the Assembly at the end of each legislative session. Its reports, once tabled in the Assembly, are publicly available on the Committee's website.⁴

The Committee requires the Government to respond in writing to its reports. Their response is also publicly available on the Committee's website.

The Committee's website also provides information on its composition, as well as Committee meeting records (i.e., Hansard verbatim, minutes, videos, reports).

During the period from October 1, 2021 to September 30, 2022, the Committee made two reports to the Assembly:

- On November 9, 2021, the Committee presented the *First Report of the 2nd Session of the 29th Legislature*. This report summarized the activity undertaken for the Provincial Auditor selection process, made a formal recommendation for appointment, and included a biography of the recommended candidate.
- On May 17, 2022, the Committee presented the *Second Report of the Twenty-Ninth Legislature*. This report detailed the work of the Committee for the period from December 1, 2020 to May 1, 2022.

4.0 STATUS OF COMMITTEE'S REVIEW OF OUR REPORTS

The Committee met more frequently to be more current in its review of chapters in our Reports.

³ Status updates are tabled with the Committee and available at www.legassembly.sk.ca/legislative-business/legislative-committees/public-accounts/ (15 October 2022).

⁴ www.legassembly.sk.ca/legislative-business/legislative-committees/public-accounts/ (15 October 2022).

Between October 2021 and September 2022, the Committee met five times to review 139 chapters from nine of our Reports.⁵ These Reports included the results of our examinations of the Government and its agencies, including recommendations for improvement. The Committee also considered our *Annual Report on Operations* for the Year Ended March 31, 2021 and our *Business and Financial Plan* for the Year Ended March 31, 2023 at one of these meetings.⁶

As shown in **Figure 2**, the Committee met more frequently to review our Reports resulting in a decrease in outstanding chapters. As of September 30, 2022, the Committee had not yet reviewed 71 chapters, which is similar to the number of outstanding chapters prior to 2020.

^A Due to the COVID-19 pandemic, the Committee cancelled a meeting in March 2021 where it intended to review our Reports.

As of September 30, 2022, the Committee had not yet completed its review of chapters from our following Reports:

- Two of 42 chapters from our *2019 Report – Volume 1*
- Five of 46 chapters from our *2019 Report – Volume 2*
- Six of 30 chapters from our *2020 Report – Volume 1*
- Eight of 45 chapters from our *2020 Report – Volume 2*
- Eleven of 31 chapters from our *2021 Report – Volume 1*
- Eighteen of 38 chapters from our *2021 Report – Volume 2*
- Twenty-one of 23 chapters from our *2022 Report – Volume 1*

Timely review of chapters and recommendations in our Reports demonstrates the Committee undertakes appropriate scrutiny and holds agencies accountable.

⁵ The Committee reviewed chapters from the following Reports: 2018 (Volumes 1 and 2), 2019 (Volumes 1 and 2), 2020 (Volumes 1 and 2), 2021 (Volumes 1 and 2), and 2022 (Volume 1).

⁶ The Committee met an additional five times to consider the Provincial Auditor selection process and other committee business.

5.0 IMPLEMENTATION OF COMMITTEE'S RECOMMENDATIONS

5.1 Overall Implementation Rate of Committee Recommendations

The implementation of the Committee's recommendations by the Government and its agencies declined on an overall basis.

As of September 2022, the Government fully implemented 60% (September 2021: 74%) of the Committee's 451 recommendations made during the previous five years. The Government partially implemented 49% (September 2021: 64%) of the remaining recommendations.

5.2 Status of Previous Committee Recommendations

The following table sets out, by agency, the number of Committee recommendations not yet implemented and not included elsewhere in this Report, and the last Report in which our Office gave an update on the status of recommendations.

Our Office follows up on the status of these recommendations until they are implemented or no longer relevant.
